Performs installation, maintenance and repair of City traffic control, street name and information signs. Conducts inventory of new and existing traffic control devices and provides record management within Street Operations in Public Works.

Minimum Qualifications

Education and Experience:

- Must possess a High School Diploma or General Educational Development (GED) equivalent.
- One year of street maintenance experience or closely related experience.

Licensing, Certifications and Other Requirements:

- Must possess and maintain a valid, unrestricted driver's license with no major citations within the past 39 months prior to the start date. The Arizona Department of Motor Vehicles requires that out-of-state driver's licenses must be surrendered within 10 days of relocating to the State of Arizona.
- A current Arizona Department of Transportation Medical Examiner's Certificate is required within six months of hire or promotion.
- Preferred:
 - American Traffic Safety Services Association (ATSSA) Traffic Control Technician Certification or International Municipal Signal Association (IMSA) Work Zone Temporary Control Technician Certification.
- Every person employed by the City of Scottsdale shall reside in the State of Arizona during his or her active employment by the City, regardless of whether the employee is approved to remote work.
